1. **Who do you serve and where?**
   Seniors residing in New River House and Trolinger House Apartments located on the campus of Warm Hearth Village. Primarily those 62 and older or those with qualifying disabilities that reside in HUD subsidized housing at Warm Hearth Village. We have 144 apartments that are eligible for the program. We are located in Blacksburg.

2. **Where do you get your food from?**
   We partner with St. Michael Lutheran Church on the Micah’s Soup for Seniors Program. The church purchases items and receives donations. The Warm Hearth Foundation works to collect items that are donated to the program. Our support of the program comes in the form of food donated and food drives that we conduct in the NRV. In addition we offer Micah’s Garden where residents grow their own vegetables and we receive support for Micah’s Garden from the NRV Glean Team.

3. **What types of food/meals do you provide (dairy, meat, produce, dry food, prepared, bakery, frozen, etc.)?**
   Shelf stable food items including soup, vegetables, beans, peanut butter, crackers, tuna, fruit cups, cereal, oatmeal, rice, and other items requested by residents due to dietary needs.

4. **What foods are you most frequently in need of?**
   Cereal, peanut butter, tuna.

5. **Which days/times of the week can you receive food?**
   Monday-Friday 8-5 (Sat/Sun are possible. Please call)

6. **Do you have the capacity to store food? If so please describe.**
   We do not have capacity to refrigerate items. We have a limited capacity to store food in two offices on campus. St. Michael handles the storage of food that is donated to our program. We store the personal care items at Warm Hearth Village for a supplemental program called Micah’s Personal Care Items.

7. **How many community members do you serve on a weekly or monthly basis?**
   95 monthly

8. **What days/times/locations do you hold your events?**
   4th Thursday of each month, items are distributed to residents in each of the apartment buildings.

9. **Is your food available for pick-up or do you deliver?**
   Deliveries are made on the last Tuesday of the month and are taken door to door or picked up in common areas of our apartment buildings at 6:00pm. We will do emergency distributions on an as needed basis and those are delivered directly to resident apartment. Produce is delivered to common areas of buildings when it arrives from the Glean Team and is distributed there. Residents also harvest produce from the garden in the summer months.

10. **Do you try to cater to the preferences of the people you provide food to? If so, how?**
Yes. We have many dietary restrictions with seniors and try to accommodate as best we can. Particularly things like gluten allergies. Residents are given a request form the prior month and select the items that they would like for the next months delivery.
